Dear

STATINTL

As requested in subject telecon we have revised our purchase order to the Bonzer Corporation deleting the terms and conditions, as noted in message.

Our Purchasing Department felt very strongly against this action since it leaves us unprotected in this business transaction.

Enclosed is a copy of our purchase order with comments for your review.

STATINTL

Very truly yours,

We cannot accept this PO as written - Too much fine print on the back + on front. We are not working on this program until we receive a simple, straight forward P.O. We will deliver 30 days after this P.O. has been received. Sorry about this, but we are engineers, not lawyers - so keep it simple!
